

Friends make your Fairgrounds grow!

Invest in our community and help us build the Promenade. Become a Friend today!

The Fairgrounds holds a special place in many of our hearts. The memories of good times spent with family and friends. This is where we spend the last week in July at the Stampede & Fair; take our kids to play in the park; rekindle friendships at reunions; support a worthy cause; learn to train your dog and take in a concert with friends...remember Martina?

While we've already done a lot of work cleaning, updating and maintaining the fairgrounds...we still need to continue to do more to grow our fairgrounds. That's where you come in. When you become a friend of the fairgrounds, you'll be vested in making your fairgrounds a beautiful community destination.

Help us grow your fairgrounds and we'll build a useful new promenade.
